## You are invited to a community forum for the

Working together to improve our water quality from the hills to Trinidad Bay

Tuesday

May 15 7-9 pm

409 Trinity Street, Trinidad

Please join us to hear what is happening in this project to improve the water quality in our creeks and Trinidad Bay.

Get an update of water quality monitoring efforts.

Discuss potential future projects to improve water quality. Get involved in the formation of a watershed council.

Join informal discussions with the project team, partners and neighbors to help guide the future of local watershed protection.

Refreshments will be served.

For more information or to volunteer, contact: Rebecca Price-Hall at 677-0223 rpricehall@trinidad.ca.gov
